# Ngo Huu Dong

UI/UX Designer

0378113807 dongn3889@gmail.com Phu Thanh ward, HCM city

## OBJECTIVE

Final-year Information Technology student at HUFLIT, passionate about UI/UX design and frontend development. Familiar with Figma and possess foundational knowledge of HTML, CSS, and React. Seeking an internship to apply my skills and contribute to user-centered web applications.

## EDUCATION

**Ho Chi Minh City University of Foreign Languages - Information Technology (HUFLIT)** **2023 - 2027**

Major: Software Engineering

## PROJECTS

**May 2025 - Present**

**Healthcare Appointment Booking App (Figma Project) | UI/UX Designer**

- Conducted user research and designed logical user flows (wireframes) to simplify the hospital appointment booking process for patients of diverse age groups.
- Built high-fidelity, interactive prototypes using Figma, incorporating dynamic components, specialized UI assets, and conditional micro-interactions.
- Applied core UX/UI principles to optimize accessibility, visual hierarchy, and intuitive navigation across all app screens.

**Hot Toys Store – E-commerce Web Application | Full-stack Web Developer**

- Developed the web application architecture utilizing **ASP.NET Core** and **C#**, ensuring robust performance and clean code structure.
- Designed and managed an **Oracle database**, implementing stored procedures for secure inventory tracking, order processing, and user data management.
- Developed responsive frontend interfaces using HTML, CSS, and Razor Pages/CSHTML for a seamless user shopping experience

**Vietnamese Banh Mi Landing Page | Frontend Developer / UI Designer**

- Designed and developed a visually engaging landing page using core UI/UX principles to promote Vietnamese culinary culture.
- Applied responsive web design techniques for multi-device compatibility and successfully deployed the live application via **Vercel**.

## SKILLS

| | |
|---|---|
| **UI/UX & Design Tools** | Figma, Responsive Web Design, User-Centered Design, Design Systems, Auto Layout, Components & Variants, Framer, Adobe Photoshop, Adobe Illustrator, |
